

SILK PAINTING CLASS

Have you ever wished you could paint silk?
It's easier than you think! You will either bring your idea or you can use one of mine. There are even full size patterns you can use, if you've never drawn a line. A 36" silk scarf is your 'canvas'. We'll learn about resist and draw our designs. Then the fun begins with applying the dye! You'll be amazed at what you can do. I'll be there every step of the way to help and encourage.
